<p>INITIAL DISCLOSURES</p>	

Defendants, by and through their counsel, hereby submit their Initial Disclosures pursuant to C.R.C.P. 26(a). Defendants reserve the right to supplement or amend these Initial Disclosures if and when additional information becomes known.

DISCLOSURES

(A) The name and, if known, the address and telephone number of each individual likely to have discoverable information relevant to disputed facts alleged with particularity in the pleadings, identifying who the person is and the subjects of the information.

Response:

The broad allegations in the Amended Complaint and Complaint in Intervention make it difficult to identify with particularity all persons likely to have discoverable information. Nonetheless, Defendants respond as follows:

1. Dwight D. Jones, Commissioner of Education, Department of Education, 201 E. Colfax Avenue, Denver, CO 80203. Mr. Jones may be contacted through counsel. Mr. Jones has information regarding the operation of the school finance system, the overall educational system in the state of Colorado, the “Forward Thinking” plan, factors impacting student outcomes, his experience as a superintendent and as Commissioner of Education, and related matters.

2. Robert K. Hammond, Deputy Commissioner of Education, Department of Education, 201 E. Colfax Avenue, Denver, CO 80203. Mr. Hammond may be contacted through counsel. Mr. Hammond has information regarding the management and operations of the department, federal programs, finance, management services, professional licensure, information management, communications, his experience as a school district administrator, and related matters.

3. Vody Herrmann, Assistant Commissioner of Public School Finance, Department of Education, 201 E. Colfax Avenue, Denver, CO 80203. Ms. Herrmann may be contacted through counsel. Ms. Herrmann has information relating to funds disbursed to Colorado school districts pursuant to the 1994 Public School Finance Act, as well as information relating to applications for emergency assistance, data related to school district budgets and expenditures, monies spent on various programs and services, various programs administered through the department of Public School Finance such as nutrition, transportation, pre-kindergarten and kindergarten, rankings of school districts as to mill levy, valuation and assessed valuation per pupil count, and related matters.

4. Ted Hughes, Director of the Division of Public School Capital Construction Assistance, Department of Education, 1525 Sherman Street, Suite B 17, Denver, CO 80203. Mr. Hughes may be contacted through counsel. Mr. Hughes has information relating to Colorado’s public school facility construction guidelines, the statewide financial assistance

priority assessment, the Building Excellent Schools Today Program, the Charter School Capital Construction Program, the Qualified Zone Academy Bond Program, the Full-Day Kindergarten Program, and related matters.

6. Jo O'Brien, Assistant Commissioner of Standards and Assessment, Department of Education, Room 502, 201 E. Colfax, Denver, CO 80203. Ms. O'Brien may be contacted through counsel. Ms. O'Brien has information regarding standards, assessments, trends in performance, factors impacting student outcomes, and related matters.

7. Ed Steinberg, Assistant Commissioner for Exceptional Student Leadership Student Support Services, 1560 Broadway, Suite 1175, Denver, CO 80202. Dr. Steinberg may be contacted through counsel. Dr. Steinberg has information regarding gifted and talented education, special education, factors impacting student outcomes, rural delivery of services, and related matters.

8. Barbara Medina, Assistant Commissioner for Innovation and Transformation, State Director Language Culture and Equity, Department of Education, Room 401, 201 E. Colfax, Denver, CO 80203. Dr. Medina may be contacted through counsel. Dr. Medina has information regarding education of English language learners, migrant students, programs to enhance provision of education to English language learners and migrant students, rural delivery of services, factors impacting student outcomes, online learning and regional services, and related matters.

9. Richard Wenning, Associate Commissioner of Education for Performance and Policy, Department of Education, 201 E. Colfax Avenue, Denver, CO 80203. Mr. Wenning may be contacted through counsel. Mr. Wenning has information regarding the educational system in the state, the Colorado Growth Model, charter schools, factors impacting student outcomes, and related matters.

10. Jhon Penn, Director of Performance Support for Southeast, Northeast, North Central and Metro Regions, Department of Education, 201 E. Colfax Avenue, Denver, CO 80203. Mr. Penn may be contacted through counsel. Mr. Penn has information regarding performance support resources including CDE's regional technical support of districts, BOCES, and school entities, pilots and studies, rural delivery of services, factors impacting student outcomes, and related matters.

11. John Condie, Director of Performance Support for Pikes Peak, Northwest, West Central and Southwest Regions, Department of Education, 201 E. Colfax Avenue, Denver, CO 80203. Mr. Condie may be contacted through counsel. Mr. Condie has information regarding performance support resources including CDE's regional technical support of districts, BOCES, and school entities, rural delivery of services, pilots and studies, factors impacting student outcomes, and related matters.

12. Superintendents, principals, business managers, and other members of the district or school administration team for the school districts identified in the Amended Complaint and Complaint in Intervention. The identity of these individuals and their respective titles are set out in the Colorado Education and Library Directory, a copy of which is attached hereto (Bates # CDE001334 through CDE001438). These individuals may have knowledge regarding district management, district finances and budgets, allocation of district resources, curriculum selection and alignment, delivery of education, local circumstances affecting the delivery of education, student attendance and performance, collective bargaining agreements, provision of and funding for student programs, condition of district schools, maintenance of schools, capital construction needs and budgeting, the local response to bonding issues and other attempts for financing, nutrition services, transportation, and related matters.

13. Superintendents, principals, business managers, and other members of the district or school administration team for all other school districts in the state of Colorado. These individuals are identified in the Colorado Education and Library Directory, a copy of which is attached hereto (Bates # CDE001334 through CDE001438). These individuals may have knowledge regarding district management, district finances and budgets, allocation of district resources, curriculum selection and alignment, delivery of education, local circumstances affecting the delivery of education, student attendance and performance, collective bargaining agreements, provision of and funding for student programs, condition of district schools, maintenance of schools, capital construction needs and budgeting, the local response to bonding issues and other attempts for financing, nutrition services, transportation, and related matters.

14. Teachers, coaches, counselors, and other school staff as yet unidentified in the school districts identified in the Amended Complaint and Complaint in Intervention who may have knowledge regarding student attendance and performance, district leadership, school leadership, delivery of education, local circumstances affecting the delivery of education, conditions of the facilities in the school district, and related matters.

15. Teachers, coaches, counselors, and other school staff as yet unidentified in other school districts in the state of Colorado who may have knowledge regarding student attendance and performance, delivery of education, local circumstances affecting the delivery of education, district leadership, school leadership, the conditions of the facilities, and related matters.

16. Past and present members of the school boards of the school districts identified in the Amended Complaint and Complaint in Intervention. These individuals presumably have information regarding the management of the district, including selection of superintendents, management of funds by the school district, local control, the budgeting process, program and curriculum selection, local factors to be considered, and related matters.

17. Taxpayers and concerned citizens who may have knowledge regarding the education system, school finance, the condition of Colorado schools, and activities of local school boards.

18. Policy leaders and analysts who may have knowledge regarding the education system, school finance, the condition of Colorado schools, and activities of local school boards.

19. Former superintendents, principals, business managers, and other members of the district or school administration team in Colorado school districts as yet unidentified who may have knowledge regarding district management, district finances and budgets, allocation of district resources, curriculum selection and alignment, delivery of education, local circumstances affecting the delivery of education, student attendance and performance, collective bargaining agreements, funding for student programs, condition of district schools, maintenance of schools, capital construction needs and budgeting, the local response to bonding issues and other attempts for financing, nutrition services and transportation, and related matters.

20. The individual Plaintiffs referenced in the Amended Complaint.

21. The individual Plaintiffs referenced in the Complaint in Intervention.

22. Any person, including but not limited to experts, disclosed or to be disclosed in discovery.

23. Any person identified or to be identified by Plaintiffs or Plaintiff-Intervenors.

24. Any person necessary to authenticate documents.

(B) A listing, together with a copy of, or a description by category and location of, all documents, data compilations, and tangible things in the possession, custody, or control of the party that are relevant to disputed facts alleged with particularity in the pleadings, making available for inspection and copying the documents or other evidentiary material, not privileged or protected from disclosure, as though a request for production of those documents had been served pursuant to C.R.C.P. 34.

Response:

The broad allegations in the Amended Complaint and Complaint in Intervention make it difficult to identify with particularity all responsive documents, data compilations, or tangible items. Nonetheless, Defendants respond as follows:

1. The Colorado Education and Library Directory (Bates # CDE001334 through CDE001438)

2. Understanding Colorado School Finance 1999-2000 (Bates # CDE003424 through CDE 003425)

(C) A description of the categories of damages sought and a computation of any category of economic damages claimed by the disclosing party, making available for inspection and copying pursuant to C.R.C.P. 34 the documents or other evidentiary material, not privileged or protected from disclosure, as though a request for production of those documents had been served pursuant to C.R.C.P. 34.

Response:

Defendants seek no damages in this case other than attorneys' fees and costs that they may be entitled to recover.

(D) Any insurance agreement under which any person carrying on an insurance business may be liable to satisfy part or all of a judgment which may be entered in the action or to indemnify or reimburse for payments made to satisfy the judgment, making such agreement available for inspection and copying pursuant to C.R.C.P. 34.

Response:

Defendants are insured by the state of Colorado Risk Management Fund, § 24-30-1501, C.R.S.
